

Lancashire Best Kept Village Competition 2022

Sadly, we have been informed that we have not reached the final of this year's competition.

Nonetheless, we are very grateful for the hard work that lots of people have put in to ensure we showed our village at its best.

As always, we have a fantastic village of great people and wonderful surroundings.

**I make no apologies for reiterating
that the main objective is to create
community cohesion and a pride in
our village.**

To that end we continue to achieve.

Much
appreciated

Endless
gratitude

We can always benefit from extra help.

*Can you help to sweep and weed troublesome areas?

*Could you volunteer to keep the Grindleton Hub (former telephone box) clean and orderly?

I will share the judges' comments with you when we receive them in late October

We wish our neighbouring village, West Bradford, good luck as they progress to the final.
