

Action	Delivery	Resource	Owner
Communication			
Develop new ways of communicating with the villagers and people interested in visiting the village	Keep the village website updated. Use the Parish council Facebook page and encourage more use	www.grindleton.org	PC
Transport			
Protect the existing bus routes we have. Stop any decline in the service	get support from RVBC, LCC and rural community projects. Encourage use of the service by locals especially those with bus passes		PC
Traffic Issues			
Enforce the parish plan that decrease no development up main st and any planning application the need to explore the provision to move parking off road	through the monitoring of planning applications		PC
Look for measures to reduce traffic speed	a) keep the speed camera B) look at adopting a 20mph speed policy on main st c) look at a 30mph speed limit along Sawley road for the full length d) use of street furniture to slow traffic		PC
Footpaths			

Create footpath off road from Grindleton playing fields to Hydro lodge	Money is available. Permission from land owners required to make this happen		PC
Maintain styles and paths throughout the village	On going work required. encourage people to report the broken styles	use of lengths man to carryout the work	PC
Leisure			
keep people informed of activities in the village	encourage village participation	GRGC, church and PC to publicise their activities	
Technology for seniors	provide training classes for anyone in the village to help them with the modern world		
General issues			
Meet the needs of an ageing population	encourage people of the village know their neighbours and look out for them. Keep people informed of the aids/ support that are available to help their daily lives	help the aged, RVBC, Alzheimer society etc	everyone
Meet the needs of the youth of the village	seek out opportunities to get the youth of the village involved in activities
