

Jesus is Coming Again

Author : Frank Robinson

When Christ Returns, Will He Find You About His Business?

No one knows the day or the hour, but one thing we know for certain, Jesus is coming again! For those who know Him, it will be a day of joy unspeakable. For those who do not, it will be a day of reckoning.

Scripture clearly describes the signs of the times that we as Believers should be aware of to indicate that we are in the last days, also known as the end times.

We are closer than ever to Christ's return. The signs are obvious, and yet many live as if time was unlimited, ever procrastinating about God's Kingdom priorities and Christ's Great Commission. At their lengthiest, our lives are mere vapours! How much more urgently should we live knowing that time as we know it may end abruptly as our Lord could return for His Church at any moment!

[For clarification: According to the majority of evangelical Christian scholars, Christ will come in a flash to "rapture" (catch away) His Church at the very beginning of the seven year Tribulation period, just as the Antichrist is coming - or about to come - to power. The Antichrist will appear to be a great peacemaker and will rise to world prominence. After three and a half years, he will proclaim himself to be God in the newly-built temple. This third temple is to be erected on the Temple Mount Site in Jerusalem. By accident, war, design or earthquake, the present El-Aksa Mosque and the Mosque of Omar will disappear. That time may not be far away.... Keep your eyes upon events in Israel, and look up.... Your redemption is drawing near. The Antichrist will demand worship, and will enforce the "Mark of the Beast," which will be required in order to work or to do business of any kind. During this second half of the seven-year Tribulation period, God will judge the earth so severely that literally billions will die. At the end of the Tribulation period, at the battle of Armageddon - when the nations will surround Israel in an attempt to destroy it - Christ will return physically to the earth to set up His Millennial (thousand year) Kingdom. This is the actual "Second Coming". Jesus will destroy the Antichrist with "the breath of His mouth", along with the remaining unsaved, and will reign for 1,000 years of peace. Then Satan, who had been locked in hell, will be unleashed and will lead one final rebellion against God (apparently with certain rebellious descendants of those alive during Christ's reign). Satan will be crushed and cast into the Lake of Fire eternally condemned, with all unbelievers who will be judged at the Great White Judgment Throne.]
