Other comments :

Council owned garages should be used for parking only and priority given to those without a parking space on Main Street.

Additional development has, and will, increase danger at the brow on main Street and increase traffic.

Concerned that there is no parking if yellow lines are provided

The problems are difficult to solve.

Provide new car park with CCTV security.

Request for signs warning of horse riders and farm traffic

Provide priority traffic systems with build-outs that work well in other villages

More considerate parking and driving in village.

Reduce length of bus bays to allow more parking

1

Request for speed control campaigns

1

Problems emerging from meadowside safely by car.

1

Concerned that no action has been taken to address speed problems

1

Provide a safe walking route to school and surface Back Lane.
