

COVID-19 Vaccine at home service

Those who need it can now get a COVID-19 vaccine from the comfort of their own home.

The NHS in your area has launched a new initiative allowing anyone who cannot attend a vaccine clinic can get their vaccine at home. This service is for anyone aged 12 and over and provides all doses of the vaccine.

The initiative adds to the wide-range of options available with the aim of offering a COVID-19 vaccine to as many people as possible.

On completion of a quick questionnaire or by calling 0300 790 6856 (between 10 am to 8 pm daily), someone from the vaccine programme outreach team will be in touch to arrange a convenient time to visit and administer the jab.
