

Press Report

Grindleton WI have celebrated their 86th Birthday with a celebration dinner at Waddow Hall.

The speaker was Melissa Sinden Gray, who gave a fascinating and funny account of her life story. Her parents had both been in the entertainment business, so she had grown up surrounded by music and theatre. Following training in Manchester, she has gone on to become an expert in voice overs, sketches and acting. Her escapades were related with great drama and humour. Jane Hardman gave a vote of thanks to Melissa.

The December meeting will see members crocheting a decorative Xmas plant container. Seasonal refreshments will be served. Members are asked to please contact Kay if they have not signed up for the evening to ensure there are sufficient plants.
